## **OFFICE OF THE MEDICAID INSPECTOR GENERAL**

[www.omig.ny.gov](http://www.omig.ny.gov)

The mission of the Office of the Medicaid Inspector General (OMIG), as mandated by New York Public Health Law § 31 is to preserve the integrity of the New York State Medicaid program by preventing and detecting fraudulent, abusive and wasteful practices within the Medicaid program and recovering improperly expended Medicaid funds.

### **DIVISION OF MEDICAID AUDIT**

The Division of Medicaid Audit professional staff conducts audits and reviews of Medicaid providers to assess compliance and program requirements and, where necessary, to recover overpayments. These activities are done to monitor the cost-effective delivery of Medicaid services for prudent stewardship of scarce dollars; to assess the required involvement of professionals in planning care to program beneficiaries; safeguard the quality of care, medical necessity and appropriateness of Medicaid services provided; and, to reduce the potential for fraud, waste and abuse.

### **DIVISION OF MEDICAID INVESTIGATIONS**

The Division of Medicaid Investigations (DMI) investigates potential instances of fraud, waste, and abuse in the Medicaid program. DMI deters improper behavior by inserting covert and overt investigators into all aspects of the program, scrutinizing provider billing and services, and cooperating with other agencies to enhance enforcement opportunities. Disreputable providers are removed from the program or prevented from enrolling. Recipients abusing the system are not removed from this safety net, but their access to services is examined and restricted, as appropriate. DMI maximizes cost savings, recoveries, penalties, and improves the quality of care for the state's most vulnerable population.

### **DIVISION OF TECHNOLOGY AND BUSINESS AUTOMATION**

The Division of Technology and Business Automation will continue to support the data needs for the OMIG in the form of audit and investigative support, data mining and analysis, system match and recovery, through the use of commercial data mining products and procurement of expert service consultants.

### **OFFICE OF COUNSEL TO THE MEDICAID INSPECTOR GENERAL**

The Office of Counsel to the Medicaid Inspector General promotes the OMIG's overall statutory mission through timely, accurate and persuasive legal advocacy and counsel.

## EXECUTIVE SUMMARY

### BACKGROUND

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The federal and state governments jointly fund and administer the Medicaid program. In New York State, the Department of Health (DOH) administers the Medicaid program. As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are conducted to determine if the provider complied with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

Outpatient services provided to persons with developmental disabilities are offered at programs licensed by the Office for People with Developmental Disabilities (OPWDD). The purpose of these programs is to offer a comprehensive system of services, which has as its primary purposes the promotion and attainment of independence, inclusion, and productivity for persons with mental retardation and developmental disabilities. These services are furnished at clinic and day treatment facilities, and through a home and community based Federal waiver program. The waiver program, established under the authority of section 1915 [c] of the Social Security Act, is intended for persons with mental retardation and developmental disabilities who would otherwise need the level of care provided in an intermediate care facility. The specific standards and criteria for OPWDD services are outlined in Title 14 NYCRR Parts 671, 679, and 690.

### PURPOSE AND SCOPE

The purpose of this audit was to determine whether the Provider's claims for Medicaid reimbursement for day treatment service complied with applicable federal and state laws, regulations, rules and policies governing the New York State Medicaid Program. With respect to day treatment service, this audit covered services paid by Medicaid from January 1, 2005, through December 31, 2008.

### SUMMARY OF FINDINGS

We inspected a random sample of 100 claims with \$35,341.27 in Medicaid payments. Of the 100 claims in our random sample, 37 claims had at least one error and did not comply with state requirements. Of the 37 noncompliant claims, most contained more than one deficiency. Specifics are as follows:

<u>Error Description</u>	<u>Number of Errors</u>
Missing Physician Review of the Individual Treatment Plan	94
No Documentation of Service	24
Missing Progress Note	19
Incorrect Rate Code Billed	12
Duration of Service Not Documented	7
Failure to Meet Minimum Duration	5

Based on the procedures performed, the OMIG has determined that the Provider was overpaid \$10,944.77 in sample overpayments with an extrapolated point estimate of \$1,737,482. The lower confidence limit of the amount overpaid is \$1,277,133.

## INTRODUCTION

### BACKGROUND

#### Medicaid Program

Pursuant to Title XIX of the Social Security Act, the Medicaid program provides medical assistance to low-income individuals and individuals with disabilities. The Federal and State governments jointly fund and administer the Medicaid program.

#### New York State's Medicaid Program

In New York State, the Department of Health (DOH) is the State agency responsible for operating the Medicaid program. Within DOH, the Office of Health Insurance Programs administers the Medicaid program. DOH uses the electronic Medicaid New York Information system (eMedNY), a computerized payment and information reporting system, to process and pay Medicaid claims, including day treatment service claims.

As part of this responsibility, the OMIG conducts audits and reviews of various providers of Medicaid reimbursable services, equipment and supplies. These audits and reviews are conducted to determine if the provider complied with applicable laws, regulations, rules and policies of the Medicaid program as set forth by the Departments of Health and Mental Hygiene [Titles 10, 14 and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York] and the Medicaid Provider Manuals.

#### New York State's Day Treatment Service Program

Outpatient services provided to persons with developmental disabilities are offered at programs licensed by the Office for People with Developmental Disabilities (OPWDD). The purpose of these programs is to offer a comprehensive system of services, which has as its primary purposes the promotion and attainment of independence, inclusion, and productivity for persons with mental retardation and developmental disabilities. These services are furnished at clinic and day treatment facilities, and through a home and community based Federal waiver program. The waiver program, established under the authority of section 1915 [c] of the Social Security Act, is intended for persons with mental retardation and developmental disabilities who would otherwise need the level of care provided in an intermediate care facility. The specific standards and criteria for OPWDD services are outlined in Title 14 NYCRR Parts 671, 679, and 690.

### PURPOSE, SCOPE, AND METHODOLOGY

#### Purpose

The purpose of this audit was to determine whether the Provider's claims for Medicaid reimbursement for day treatment service complied with applicable Federal and State laws, regulations, rules and policies governing the New York State Medicaid Program and to verify that:

- Medicaid reimbursable services were rendered for the dates billed;
- appropriate rate or procedure codes were billed for services rendered;

- patient related records contained the documentation required by the regulations; and,
- claims for payment were submitted in accordance with DOH regulations and the appropriate Provider Manuals.

### **Scope**

Our audit period covered payments to the Provider for day treatment services paid by Medicaid from January 1, 2005, through December 31, 2008. Our audit universe consisted of 15,875 claims totaling \$5,305,805.45.

During our audit, we did not review the overall internal control structure of the Provider. Rather, we limited our internal control review to the objective of our audit.

### **Methodology**

To accomplish our objective, we:

- reviewed applicable federal and state laws, regulations, rules and policies;
- held discussions with the Provider's management personnel to gain an understanding of the day treatment service program;
- ran computer programming application of claims in our data warehouse that identified 15,875 paid day treatment service claims, totaling \$5,305,805.45;
- selected a random sample of 100 claims from the population of 15,875 claims; and,
- estimated the overpayment paid in the population of 100 claims.

For each sample selection we inspected, as available, the following:

- Medicaid electronic claim information
- Individual Day Treatment record, including, but not limited to:
  - Annual Physical
  - Individual Program Plan
  - Individual Treatment Plan
  - Comprehensive Functional Assessment
  - Documentation demonstrating licensed physician review of the individual treatment plan
  - Physical Therapy Documentation
  - Occupational Therapy Documentation
  - Speech Therapy Documentation
  - Progress notes
  - Treatment Notes
  - Census Records
- Any additional documentation deemed by the Provider necessary to substantiate the Medicaid paid claim

## LAWS, REGULATIONS, RULES AND POLICIES

The following are applicable Laws, Regulations, Rules and Policies of the Medicaid program referenced when conducting this audit:

- Departments of Health and Mental Hygiene [Titles 10, 14, and 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York (10 NYCRR, 14 NYCRR, 18 NYCRR)].
- Medicaid Management Information System and eMedNY Provider Manual.
- Specifically, Title 14 NYCRR Part 690, and Title 18 NYCRR Parts 360, 504 and 540.
- OPWDD Administrative Memorandum #2008-02
- In addition to any specific detailed findings, rules and/or regulations which may be listed below, the following regulations pertain to all audits:

Regulations state: "By enrolling the provider agrees: (a) to prepare and to maintain contemporaneous records demonstrating its right to receive payment . . . and to keep for a period of six years from the date the care, services or supplies were furnished, all records necessary to disclose the nature and extent of services furnished and all information regarding claims for payment submitted by, or on behalf of, the provider . . . (e) to submit claims for payment only for services actually furnished and which were medically necessary or otherwise authorized under the Social Services Law when furnished and which were provided to eligible persons; (f) to submit claims on officially authorized claim forms in the manner specified by the department in conformance with the standards and procedures for claims submission; . . . (h) that the information provided in relation to any claim for payment shall be true, accurate and complete; and (i) to comply with the rules, regulations and official directives of the department."  
*18 NYCRR Section 504.3*

Regulations state: "All bills for medical care, services and supplies shall contain: . . . (8) a dated certification by the provider that the care, services and supplies itemized have in fact been furnished; that the amounts listed are due and owing . . . ; that such records as are necessary to disclose fully the extent of care, services and supplies provided to individuals under the New York State Medicaid program will be kept for a period of not less than six years from the date of payment . . . ; and that the provider understands that payment and satisfaction of this claim will be from Federal, State and local public funds and that he or she may be prosecuted under applicable Federal and State laws for any false claims, statements or documents, or concealment of a material fact provided. . . ."  
*18 NYCRR Section 540.7(a)*

Regulations state: "An overpayment includes any amount not authorized to be paid under the medical assistance program, whether paid as the result of inaccurate or improper cost reporting, improper claiming, unacceptable practices, fraud, abuse or mistake."  
*18 NYCRR Section 518.1(c)*

Furthermore, according to regulations, all providers must prepare and maintain contemporaneous records demonstrating their right to receive payment under the medical assistance program. In addition, the provider must keep, for a period of six years, all records necessary to disclose the nature and extent of services furnished and the medical necessity therefore, including any prescription or fiscal order for the service or supply. This information is subject to audit for a period of six years and must be furnished, upon request.

*18 NYCRR Section 517.3(b)*

In addition, if you receive an adjustment in your favor while you owe funds to the State, such adjustment will be applied against the amount owed.**

If you choose not to settle this audit through repayment of the adjusted lower confidence limit, you have the right to challenge these findings by requesting an administrative hearing where the OMIG would seek and defend the point estimate of \$1,737,482. As allowed by state regulations, you must make your request for a hearing, in writing, within sixty (60) days of the date of this report to:
